

Kinvolved is the original education technology solution to absenteeism, and we're excited to partner with Wayne County educators and families to prevent chronic absence and student disengagement!

**TEACHER KINVO APP**

**PARENT TEXT MESSAGES ON YOUR PHONE**

As a parent, through KINVO you can **receive text messages, emails, and robocalls** from your child's teachers and school leaders.

No need to sign up or log in—just be sure your child's teacher has your **current cell phone number or email address!**

KINVO **automatically translates** messages between you and your child's teachers.

You can **write back**, too!

KINVO messages may cover many topics, including:

**ATTENDANCE**

**HOMEWORK**

**SCHOOL EVENTS**

Wayne County will begin sending messages this January. To opt out, reply 'STOP' to an SMS message or press #1 on your phone's keypad. For questions, please reach out to Dr. Pamela Shuman at (912) 427-1000 or pshuman@wayne.k12.ga.us.
