### **School Bus Wifi Opportunities**

In the event of a school closure or district-wide virtual learning, mobile internet access may be available through School Bus wireless networks. These access points will be located on school buses and may be parked in various locations throughout the county. Exact addresses and times will be published as access becomes available.

Just find your Wifi icon on the device, click on GUESTS, then click Connect.

Some areas connect easier than others but more locations will be added soon!
